## **We still need to fight and inflict maximum damage on the enemy in all areas of defense - address by the President of Ukraine**

---

13 March 2022 - 01:01

The Russian invaders cannot conquer us. They do not have such strength. They do not have such spirit. They are holding only on violence. Only on terror. Only on weapons, which they have a lot. But the invaders have no natural basis for normal life. So that people can feel happy and dream.

## **Address by President of Ukraine Volodymyr Zelenskyy to Italians and all Europeans**

---

12 March 2022 - 19:21

You need to put pressure. Such sanctions against Russia are needed so that every Russian soldier knows the price of every shot at civilians. We need such principles of European business that the Russian state does not have the money to ruin lives.
